

Confusion between left and right.
Problems with reading and writing.
Organisational problems.
Difficulty remembering instructions.

All of these can be traits of dyslexia,
making day to day life and work a challenge.

Help us to help the 1 in 10 people
in Scotland with dyslexia. Join us today.

**Call 01786 446650 or visit our website
www.dyslexiascotland.org.uk for further details.**
